Presidents Report

Hello Everyone

Another year is nearly over and Xmas is just a few weeks away.

The association are putting on their inaugural Christmas Carols this year, thanks to the hard work of Amanda Williams who has managed to secure grants for the event, which will be split between two events planned by us.

The Carols on the 18th December, starting at 6 pm, with Rob West leading us off in song.

Also planned next Easter the 16th April, a tribute to Blues, Jazz and Swing, also lead by Rob West and 4 other acts. All at Gabbadah Park. So keep the dates, and come along. Between the different community groups and the Club we are starting to get some really good nights out in little Guilderton.

So keep your eyes out for the events notices please as we would like to see as many as possible at all events.

It's free and anyone can come along, bring a friend or two, all your family and make both nights special. Food and coffee available for purchase or bring a picnic.

The Moore arts group are financing another sculpture, which at this moment is a fish to place on the foreshore. We are still awaiting the Shires approval of placement. Many thanks to Anne and her group.

These groups and our community can only survive on volunteers and we are sadly lacking in them, our numbers decline ever year.

This year saw the passing of long term association member Mr John Prince He provided our association with many memories and projects.

We offer his friend and family are ongoing sympathies.

I would like to thank the wonderful ladies of our committee for their dedication and hard work. Linda Johnson has been busy with her many committees that she belongs to and her reports will give you some idea of what she has been up to. All the ladies belong to different sub committees of the Guilderton Community Association and work hard behind the scenes.

I would like to urge all of you to come to our next AGM on the 22nd January 22 at 10 am. It would be nice to see a few more people than the 13 we usually get.

It is very disappointing as a committee to see the lack of interest at an AGM or community meeting.

We would like to hear from you on what ways we can better our little community and any new ideas that you may have.

We would also welcome new blood on our committee and association, so please think about coming or joining our group.

So I will leave you now with the hope you have a Very lovely and safe Christmas.

Merry Christmas everyone and a Happy New Year.

See you then.

**Kerry Enright
President**

Guilderton Library

The Committee of the Guilderton Community Library would like to wish everyone a Merry Christmas and a safe and Happy New Year.

This year has been a very good year for us with memberships rising from the many new people moving into the area.

We have achieved our aim to supply new current novels to our members with many 2021 releases.

The free painting day, painting a kayak, at the caravan park for local children and visitors was extremely successful as were our two days of sales at the Moore Men's Shed Open Days. We enjoy working with the Men's Shed who, over the years, has been very supportive of our fund raising efforts.

Our wonderful group of volunteers are always ready to help you make a selection from our vast range.

We are open every Saturday from 9.30 to 11.30 and we look forward to seeing you at the library. If you don't want to commit to a membership, we have a huge selection of near new books and puzzles priced at only \$1 each. New members are always welcome and we are sure you will find something to suit your reading genre.

Madeline.

Upcoming Events

We are looking at holding our first Carols in the park on Sat 18th December starting at 5.30pm.

Save the date for Easter Saturday as we will be doing a music night in the park.

Containers for Change

We are currently collecting containers for change. We will be putting all money towards the community. If you would like to leave your cans and bottles the Moore river roadhouse is collecting and handing them in.
