

GUILDERTON VISITORS CENTRE NEEDS YOU

WANTED..... People interested in the environment and history of the local area to impart their knowledge to visitors and locals who visit our Centre. The Visitors' Centre has a wide array of maps, tourist brochures and information on boating, fishing and wildlife of the area. There is also local produce and a great selection of art, gifts and souvenirs for sale. We are open weekends, public holidays and school holidays between 9 and 12 noon. Please don't feel that you need to be a resident of Guilderton to help as the information we give out covers not only Guilderton but much further afield. Training will be provided. Interested people are asked to contact Linda Johnson on 0414631273 for more information. It's a great little job and the more people we have on the roster the less work it is for everyone.
